- 113 Burner Kits
- 115 Gas Hoses
- 116 Igniters
- 117 Regulators
- 118 Temperature Gauges
- 120 Wheel Sets

TERMS & CONDITIONS

TERMS OF PAYMENT

Terms of payment are as noted on invoices. A service charge of 1% per month will be applied on overdue accounts. If the account is overdue, all payments received will be applied to satisfy the outstanding service charges first with the balance, if any, applied to the oldest outstanding invoices. This procedure avoids possible future service charges applied to your account.

All merchandise remains the property of Wolf Steel Ltd. until paid in full.

USA FREIGHT POLICY

Merchandise is shipped on an F.O.B. Crittenden, Kentucky warehouse basis. All shipments exceeding \$5,500.00 net dealer cost will be shipped freight prepaid. Shipments below the \$5,500 threshold will be charged at freight cost.

Common carriers are used for larger shipments while smaller parcels are dispatched via courier service. Shipping charges on orders dispatched by courier will be charged to you and will be reflected on the invoice.

A set routing schedule exists (known as Route ID's) for shipments out of our Crittenden, Kentucky warehouse, contact Dealer Experience Department for scheduling information.

All backorders will be consolidated and shipped with next regular shipment. Backorders can be expedited, charged at LTL or courier rate. Wherever possible, the least expensive means of shipping will be chosen.

USA FREIGHT DAMAGE / LOSS

All damage claims are the responsibility of the dealer and the carrier.

If a damage claim is to be successful against the carrier, the original packaging (containers, boxes, etc.) must be kept for inspection by an agent of the carrier. Always note any apparent or not so apparent damage on the Bill of Lading or the Waybill and have it witnessed by the driver.

In the case of missing items, make sure that you sign only for the receipt of items received. Note the discrepancies on the Bill of Lading or Waybill and have the driver sign as well. If partial shipments or deliveries are signed for as "complete", you have lost the right to claim the loss of the merchandise.

To file a claim for damage or lost freight, please contact our Logistics Support team at logisticssupport@napoleon.com

PRODUCT RETURN POLICY

POLICY GUIDELINES

A Return Authorization (RA) must be requested from Dealer Services, Order Desk or Customer Solutions Department of **WOLF STEEL LTD (WSL)**. Once requested, your claim will be reviewed, and if accepted, a Return Authorization number will be issued. Please quote this number any time you inquire about your claim.

Any returned product that is sent to Wolf Steel without prior authorization (an RA Number) will be refused and returned, freight collect.

Any product returned must be forwarded in the original packaging via ground delivery, as advised by **WOLF STEEL LTD**.

All product must be returned to **WSL** within 30 calendar days from the day that the RA was issued in order to qualify for possible replacement or credit.

Return Authorizations, replacements (subject to inspection of returned items, including their packaging) and shipping method/cost is always at the sole discretion of **WSL**.

Return Authorization number must be prominently written on all paperwork when packaging product for return.

INFORMATION REQUIRED

The following information is required in order to obtain a return authorization:

- Part/Unit number
- Invoice number(s) of original shipment and/or the replacement part(s)
- Exact quantity to be returned
- Reason for return

RETURN CLASSIFICATION GUIDELINES

Returned and Reworked Products under Warranty are classified and processed under the following guidelines:

- Product under warranty, deemed functioning to design specifications:
If the product is determined to be free of defects or not under warranty, it will be returned to the customer, who will be invoiced for any rework and handling charges including repackaging and freight costs. The customer is notified and asked if they wish to have the goods returned collect. If no response is received after 5 working days the parts will be scrapped. No credit is issued.
- Product under warranty showing defect(s) caused by improper handling or installation:
The customer is notified and the product is scrapped, unless otherwise instructed by the customer. No credit is issued and handling charges will apply.
- Product under warranty which is defective:
Product is repaired/replaced or credit issued at the discretion of **WOLF STEEL LTD**.
Product shipped to replace defective merchandise will be invoiced at regular prices and a credit will be issued upon return of defective product, subject to inspection.
- Product no longer under warranty and with no salvageable value:
The product will be scrapped unless otherwise instructed by the customer. Return shipping charges are the responsibility of the customer. No credit is issued.

QUALIFYING PRODUCT

The following is a summary of what may be Returned/Credited under the current policy without restocking fees charged:

- Error at the time of order by **WSL**
- The product has clearly been damaged due to shipping (if product was shipped directly from **WSL** see freight policy for details)
- Shipping Damage must be reported to **WOLF STEEL LTD** within 24 hours of receiving the product from **WSL**. The shipping slip of the freight company must have a note of the damage.
- The product has concealed damage due to inadequate packaging
- Concealed damage must be reported within 30 calendar days from the initial shipment date from **WSL**.
- The product has a defect
- The product is requested by **WSL** to be returned for a quality control reason
- Under rare instances and only with an approved Return Authorization from **WOLF STEEL LTD.**, a customer may request the return of overstock product.
Wolf Steel is under no obligation to accept returns related to overstock.

The following conditions will apply:

1. The product must be current (must have been purchased in the last 30 days) and must be in resalable condition. (This applies to both the product and the packaging with no visible markings.)
2. If found in defective condition, the customer will be notified and the product will be scrapped, unless otherwise instructed by the customer, and no credit will be issued any handling charges including freight costs will be invoiced
3. If found to be in good condition, a credit will be issued, less 35% restocking charge, return freight cost and any other charge incurred for processing.
4. The above conditions will not apply to outdated or discontinued product either distributed or manufactured by **WOLF STEEL LTD.**
